

Briefpapier

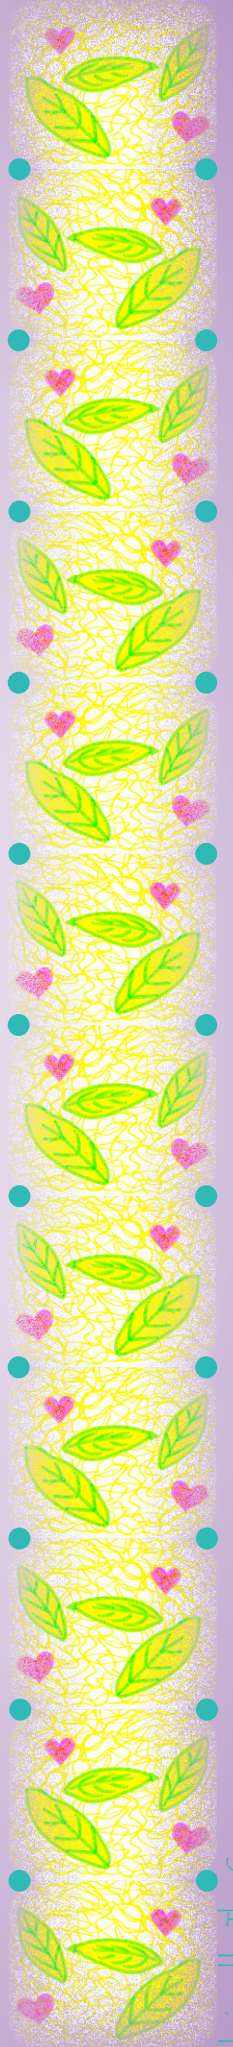

designed by Thea Cae

- Umschlag und Briefbogen ausdrucken
- Briefumschlag ausschneiden, türkisfarbene Ecken wegschneiden, falten, zusammenkleben
- Brief schreiben und ab die Post

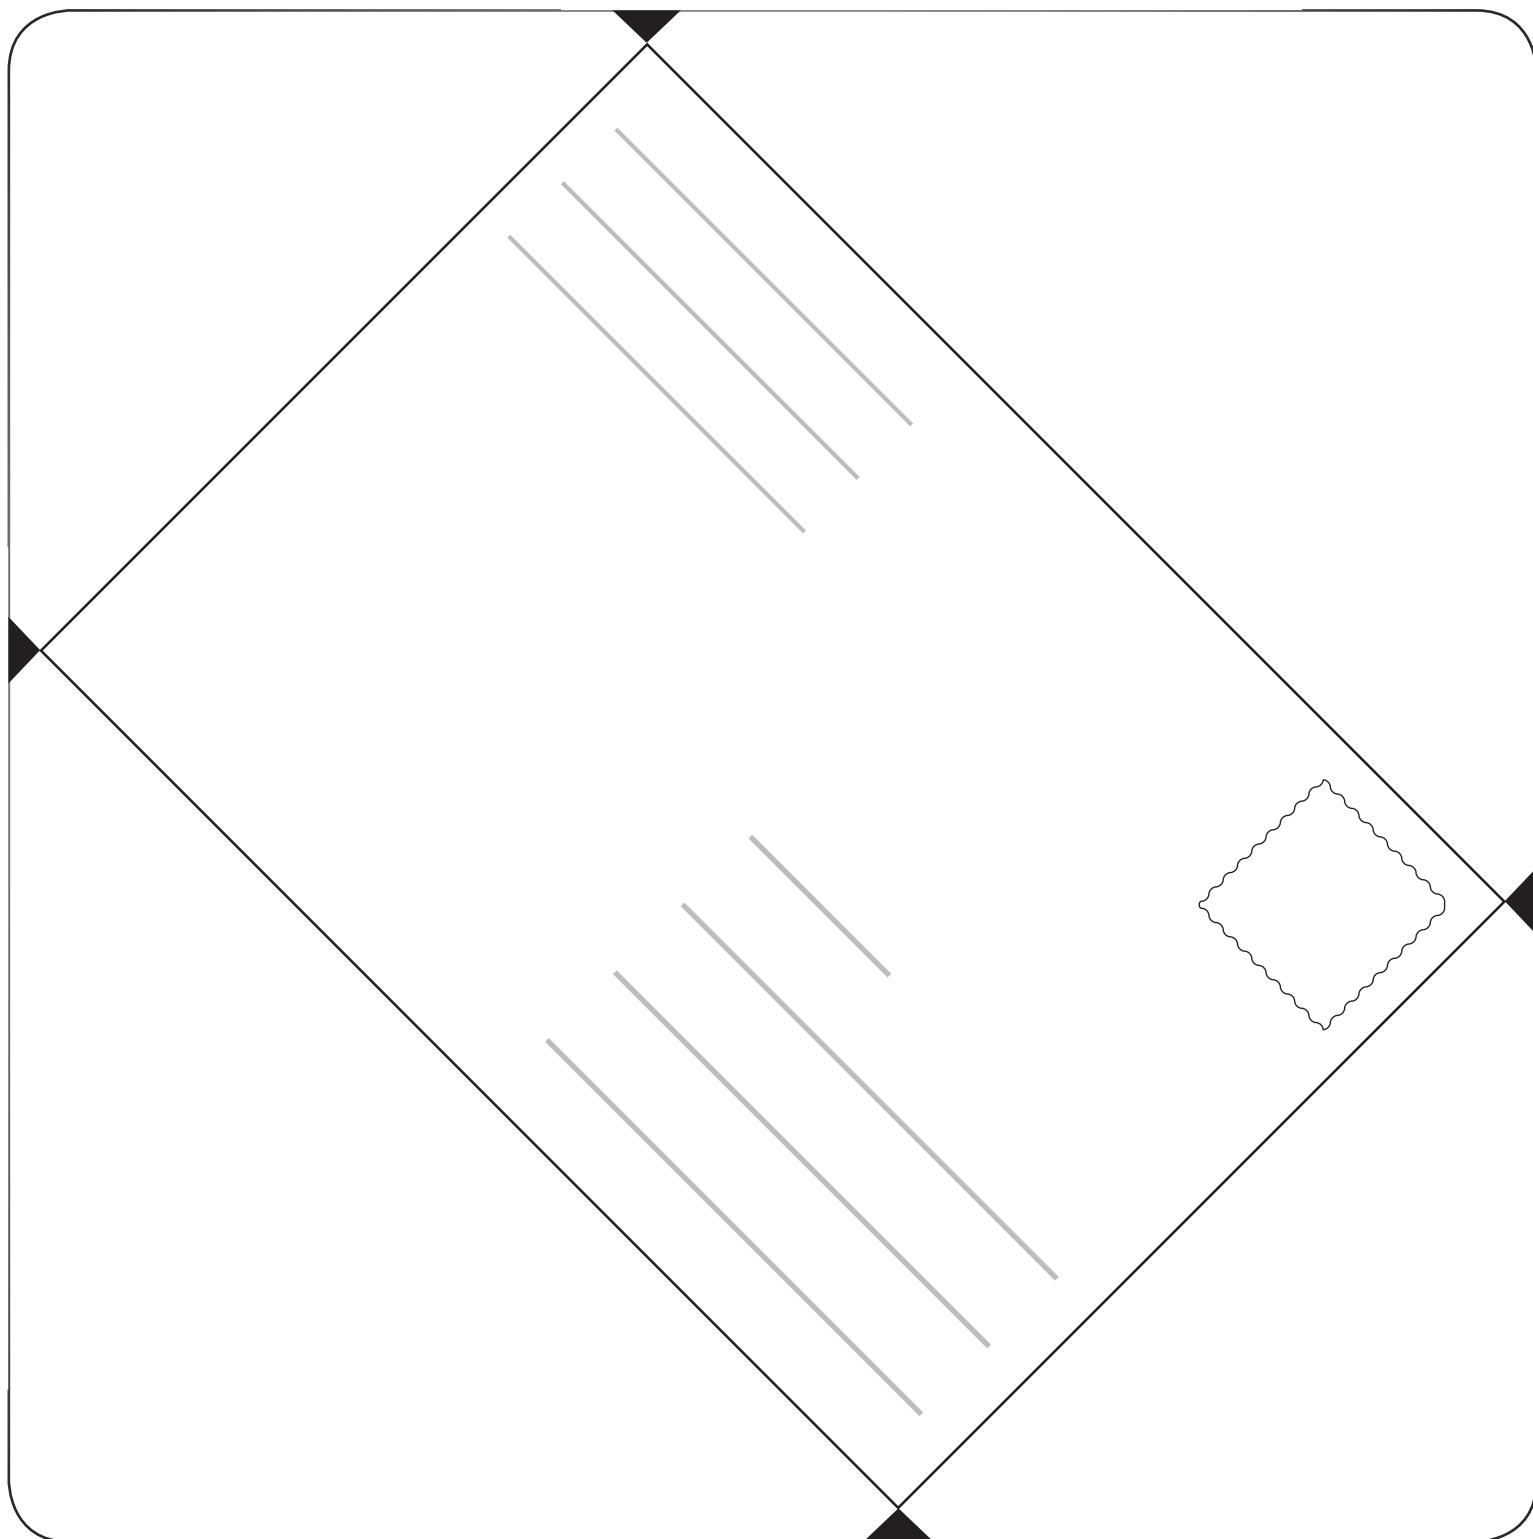

A series of horizontal teal lines for writing, arranged in a central column. The lines are slightly wavy and vary in length, creating a series of writing spaces. The top line is shorter than the others, and the bottom line is also shorter, leaving a small gap at the bottom right.
